

SA CLEAN WATER

950L Slim Line

Backup Water System

Perfect for smaller spaces. This tall, slender tank offers a basic backup supply, ideal for shorter outages or those on tighter budgets.

- **950L Tank:** *Secure Water Storage*
- **0.75kW Booster Pump:** *Powerful, Constant Pressure*
- **PVC Piping:** *Leak-Proof, Long-Lasting*
- **Electrical Point:** *Reliable, Durable*

950 Lt

Size

1 970mm (h) x 800mm (d)

R 16 110.00

 Ex Vat

- **Copper Bypass:** *Industry Leading*
- **Installation and Testing:** *Expert, Precise*
- **1-Day Turnaround:** *Fast, Convenient*
- **Tank Colour:** *Personalised, Choice*

Optional Upgrade Pricing

Water Filtration

- 3 Stage Whole House
*** removes sediment, improves taste and smell* Additional **R 2 990.00** Ex Vat
- 3 Stage Whole House with UV
*** adds virus and bacteria protection* Additional **R 4 690.00** Ex Vat

Variable Speed Drive Booster Pump

- 0.75kW Wilo-Isar BOOST5-E-3-M
*** auto adjust motor speed, silent & energy efficient* Additional **R 7 780.00** Ex Vat
- 1.1kW Wilo-Isar BOOST5-E-5-M
*** auto adjust motor speed, silent & energy efficient* Additional **R 14 275.00** Ex Vat

Slabs

- Concrete Slab 1m x 1m
*** removes sediment, improves taste and smell* Additional **R 1 700.00** Ex Vat
- Concrete Slab 2m x 2m
*** adds virus and bacteria protection* Additional **R 3 600.00** Ex Vat
- Gravel Slab 1m x 1m
*** adds virus and bacteria protection* Additional **R 540.00** Ex Vat

Covers

- Pump Cover
*** plastic cover to protect your pump* Additional **R 790.00** Ex Vat

Your Water Security Base: This section details all the essential equipment included in your backup system. These components ensure your system functions reliably, providing a solid foundation for your water security.

Vertical Water Tank

10 Year Guarantee

Vertical Water Tank

1 Year Warrantee

Brass Float Valve

1 Year Warrantee

System Installation

1 Year Warrantee

Centrifugal Booster Pump

1 Year Warrantee

Copper Bypass

1 Year Warrantee

System Testing

Upgrades for Convenience & Quality: Here, you'll explore additional features that can enhance your system's functionality and personalize it to your needs. These upgrades offer increased comfort, improved water quality, and cater to specific water concerns.

System Installation

1 Year Warrantee

3 Stage Whole House Filter

Please Note: The final quote will be established after a visit to the site. The actual cost might differ from the initially provided estimate, especially if there is a selection of different components or if the installation demands exceed those of the standard setup.

• All prices make provision for an installation within 5m on the water tie-in point.
